

STERLING

COMMUNITY THEATRE

Based on the bizarre and beloved characters created by Charles Addams, this original story finds the famously macabre Addams Family put to the test when Wednesday, known for her love of darkness, falls in love with a sweet young man from a seemingly respectable and ordinary family. Forced to host these outsiders for a dinner party, the evening soon goes devilishly awry, testing the bonds of family, love, and unholy matrimony. Our six performances in September attract audiences of up to 1,200 individuals from communities throughout Central Massachusetts. Your program advertisement will not only reach potential clients, but also ensure our continued efforts to provide a creative outlet and entertainment venue for the Wachusett Region.
